

NorCal Awards for State Championships Fall/Spring

Awards Instructions and order form.

Below is a list of items that may help you with your order.

- 1.) To help you determine how many awards you need to order you should get an estimate of the gymnasts that have qualified. The Master Scorekeeper and your Zone Representative can help you with the number of gymnasts that have qualified so far. You may also want to call the gym/meet director that was the host for the previous year's State meet and get input from them.
- 2.) Determine the number of age groups per level. Use the NorCal Handbook, Minutes and USAG Rules and Policies for guidance.
- 3.) Determine how far you want to go with your awards. Do you want to go 1st– 10th or 1st –12th? You may want to order extra bronze medals for ties etc.
- 4.) Use the prices below to get an estimate of your total cost which will not include shipping. Email your awards order to me. I will send it to the awards company, and they will call the meet host contact person for payment. Your order will not be processed until your payment has been submitted.
- 5.) Use the prices below to get an estimate of your total cost which will not include shipping. Please note that prices can change.
- 6.) If you order extra medals, you can return them to A-1, but you will be charged a return fee of 20%.
- 7.) NorCal does not pay for medals. NorCal does pay for team awards (banners and large team plaques) which are ordered by the Awards Chairman.
- 8.) Use the NorCal Awards order form.
- 9.) Prices for the awards and your financial statement estimate are;
Event/A.A. Medals - \$2.55 each (subject to slight changes)

To simplify this information further, send your exact Bronze, Silver and Gold medal totals to me with your contact and shipping information.

Email your awards order to kimberlykor@cusd.com. I will send it to the awards company. They will call the meet host contact person for payment. Your order will not be processed until your payment has been submitted.

Thank You.
